

Diversity Report 2021

What are we reporting?

Our regulator, the Solicitors Regulation Authority (SRA), requires us to conduct a survey among our colleagues to help them understand the diversity of law firms. They use this information to understand the changing make-up of the solicitors' profession and to promote a diverse and inclusive profession, better able to meet the needs of clients and reflect the communities that we serve.

The SRA publishes aggregate data on its 'Diversity in the profession' web page, which can be viewed [here](#).

We are pleased to support the SRA in this and we fully support their aims to make the legal profession more modern, diverse and inclusive, and representative of our society. We are committed to ensuring that we have an inclusive culture within our business, providing a welcoming, fair and respectful workplace environment, where everyone feels safe to be themselves and is able to reach their full potential.

The survey was carried out between 7th and 26th July 2021 and 119 of Lowell Solicitors colleagues (approximately 94%) responded. A copy of the results has been provided to the SRA and published here in line with our regulatory requirements.
